

MOVING THE GOALPOSTS

EMPOWERING GIRLS THROUGH FOOTBALL | KILIFI, KENYA

Moving the Goalposts is a pioneer sport for development organization founded in 2002 to empower girls and young women through football. The organization works with girls and young women between the ages of 9 to 25 years in the Coastal Region of Kenya notably, Kilifi, Mombasa, Kwale and Tana River. MTG's purpose is to strengthen the voice, impact, and influence of girls and young women by providing opportunities for them to play football, take on leadership roles, learn about their rights and how to claim those rights, with a focus on sexual reproductive health and choice. MTG contributes to this aim by making football an area of opportunity for girls, enabling community stakeholders to champion girl's rights and through strategic alliances that promote this goal.

Post Title: Monitoring and Evaluation Coordinator - Based in Kilifi

Reporting to: Program and Advocacy Manager

Job Purpose: The purpose of this role is to support both the program team in monitoring, tracking progress and measuring the impact of all programs and further support the senior management team in tracking the execution of the strategic plan and the results thereof.

Main Roles and responsibilities:

1.Strategy implementation:

- Develop and Coordinate the implementation of MTG's M&E Framework
- Project Management: Support the development of appropriate tools for each program /project.
- Development and management of M&E department budget (monthly, quarterly and annual).
- Update organization's progress monitoring tools on a monthly, quarterly basis and annual basis

2.Data Quality management:

- Conduct periodic data quality checks and audit.
- Design and review relevant data collection tools.
- Collate and analyze data for reports, produce a systematic and analytical progress report to guide management in decision making.
- Ensure that M&E databases, tools and indicators are updated routinely and systematically, aligned to deliver donor deliverables and MTG strategic goals/objectives
- Prepare information to respond to senior management or donor data queries in an accurate and timely manner.
- Review existing data collection and management systems to identify gaps and opportunities that inform MEL technological innovations.

3.Research:
